Kim Trumbull
Nelson Trumbull
Tom Melberg
Richard Carr
Randi Kelly
Ty Burtard
Arturo Vargas
Gisela Vargas
Jeff Runstein
Diane Rubenstein
Megan Adler
Allen Jones
Amber Kurkoski
Cat Carona

- 1) Cat Carona from Healthy Rivers and Streams came to speak about the beaver population. Health Rivers and Streams will come to your property to help deal with nuisance beavers who are creating flooding or felling trees. It is no longer legal to kill them yourself in Colorado. Healthy Rivers and Streams has a way of clearing floods from dams while leaving a beaver in place. You will not legally lose your water rights if you do allow a dam though.
- 2) We announced the schedule of the Planning and Zoning Commission and the Pitco BOCC taking up the racetrack and Phillips issues and asked anyone who could to attend for comment
- 3) Tom Melberg brought up the issue of RAFTA blocking parking space off of Upper River Road and putting up a no parking sign. We passed a resolution by acclamation to ask them to remove thi.
- 4) We announced the coming July election for the WC DPC and that to vote you have to attend a meeting and be a resident or land owner in WC. We asked for nominations to the DPC.

Allen Jones
